DATE OF [REDACTED]

25X1A

SUPPLEMENT TO REPORT NO.

25X1X

1. The Greek General Staff is carefully considering various isolated reports indicating a possible serious large scale Andarte effort soon in the Florina-Lake Prespa area, supported directly by material and manpower coming from Albania. The evacuation of children from the Prespa area, tightened Andarte security in the areas generally north and northwest of Florina, and reported concentrations of Andartes and Albanian troops near the border are items mentioned in the reports.
